FLASH

PARKONECT KIOSK

A New Era in IoT Parking Equipment

With forward driven solutions, Flash has the power to equip your property with dynamic, intelligent hardware designed to unlock your asset's fullest potential.

FULL PARCS SOLUTION

The Parkonect Kiosk propels our industry-leading cloud and QR-code-based ticketing system to meet consumers' needs. Designed with your parkers in mind, our solutions offer touchless options—**LPR, Text2Enter, AVI and our "out of the box" partner integrations.**

EASY-TO-MANAGE

The hardware's sleek exterior cabinet houses modular USB components for infinite expandability, creating a completely hassle-free parking experience. **Plus, with almost no moving parts, our Parkonect Kiosk is virtually maintenance-free.**

HIGHLY CONFIGURABLE

We know different assets have different needs, which is why our technology is designed to shape the solutions of today and tomorrow. Installing our Parkonect Kiosk will place **critical efficiency and revenue-boosting tools at your command.**
